August 2016 - May 2017: With Distinction.

October 7, 2012 - May 2013.

##### **Honor's Thesis Committee**

May 13, 2013.

##### **Posters at the Capitol in Frankfort, KY**

February 2, 2013 - February 21, 2013: Posters at the Capitol was an event for students to showcase their research to legislators. Keaton prepared and presented a poster at the event.

#### **Professional Service**

**Director**

2014 - Present: WKU Center for Applied Economics.

**Editor, Journal Editor**

2007 - 2012: Journal of Applied Economics and Policy.

**Ex-Officio Board Member and Webmaster**

December 2008 - Present: Kentucky Economic Association; Webmaster. Responsible for website and social media.

**Invited Speaker**

2013: Kentucky Division of Financial Institutions; Presented "State of the Kentucky Economy".

**Program reviewer**

2015: State of Tennessee; Academic Program Review of the Department of Economics, University of Tennessee Chattanooga.

**Media Contributions**

Newspaper, Bowling Green Daily News. (November 4, 2012).  
Economic Uncertainty Still Looms, Interview

**PROFESSIONAL ORGANIZATIONS**

National Association of Business Economists. (January 2017 - Present).

NABE is the premier professional association for business economists and others who use economics in the workplace. Since 1959, NABE has attracted the most prominent figures in economics, business, and academia to its membership with highly-regarded conferences, educational and career development offerings, industry surveys, and its unrivaled networking opportunities. Past presidents of NABE include former Chairman of the Board of Governors for the Federal Reserve System, Alan Greenspan, several former Federal Reserve Governors, and other senior business leaders.

Southern Economic Association. (November 2016 - Present).

The Southern Economic Association is one of the oldest economics associations in the United States, dating back to a conference held in Atlanta in November 1928. The Southern Economic Journal began publication in 1933 and is the eighth oldest American scholarly journal in economics. From its founding, the purpose of the Southern Economic Association has been to further the education of scholars and the public in economic affairs. Toward this end, it seeks to stimulate interest in and disseminate results of recent research in theory and applied economics.

Association of University Business and Economic Research. (September 2015 - Present).

AUBER is internationally recognized by business, government, and education as the premier professional organization dedicated to continually improving the quality, effectiveness, and application of research in business, economics, and public policy.

Kentucky Economic Association. Board Member. (October 2007 - Present).

## **IMPACT OF INTELLECTUAL CONTRIBUTIONS**

### **Refereed Journal Articles**

Inflation Volatility and Economic Growth in Bolivia: A Regional Analysis In *Macroeconomics and Finance in Emerging Markets*.

The journal has an impact factor of 0.86 under the RePec rankings.

Term Limits, Time Horizons, and Electoral Accountability In *Public Choice*.

Top field journal in applied public economics. (Impact factor 0.900).

Tolerance and Housing Values: How Levels of Human Capital and Race Influence this Link within the Metropolitan Area In *Annals of Regional Science*.

This is a journal with international reach and an impact factor of 0.69. This corresponds with 2 "quality points" from the economics journal rankings due to its high impact factor.

Whither the Marriage Tax In *National Tax Journal*.

Top field journal in applied public economics and public finance.

Merit-Based College Tuition Assistance and the Conditional Probability of In-state Work In *Papers in Regional Science*.

Top journal in Regional Science and Regional Economics. High-Impact Journal (Impact Factor 1.183).

Revisiting the Income Tax Effects of Legalizing Same-Sex Marriages In *Journal of Policy Analysis and Management*.

Top field journal in applied public economics and public policy (Impact Factor 2.788).

Are Black Neighborhoods Less Welcoming to Homosexuals than White Neighborhoods? In *Regional Science and Urban Economics*.

Top field journal in Regional and Urban Economics (Impact Factor 1.024).

## **SERVICE ACTIVITIES**

### **College/School Assignments**

#### **Committee Member**

August 18, 2015 - Present: Strategic Planning Council; Represent the department of Economics.

### **Directed Student Learning**

### **Graduate Teaching Assistant/Associate (GTA) Supervisor**

August 18, 2016 - December 15, 2016: Lucas provided excellent teaching assistance for two sections of Statistics. He helped me tutor students who were struggling through the course, especially during the computer lab sessions. He also helped in numerous grading tasks.

### **Master's Thesis Committee Chair**

January 1, 2017 - August 8, 2017: Student: Lucas Taulbee. Completed his master's thesis.

August 18, 2016 - December 30, 2016: Student: Orlando Diaz. After a set of revisions, the student successfully completed and presented his work. This work was necessary to graduate with a Master's degree in Applied Economics.

## **Department Assignments**

### **Committee Member**

February 11, 2016 - March 15, 2016: Undergraduate Student Awards; Help select the award winners by helping improve the selection system.

### **Faculty Mentor**

November 11, 2016: Head for the Hill- Economics Recruiting; Saturday event. Represented the department of Economics by setting up an information table for prospective high-school students. Provided information to those interested in majoring in Economics.

## **Professional Service**

### **Committee Member**

November 2016 - Present: North American Regional Science Association; Read through the graduate student papers submitted for competition at the North American Regional Science Meetings and provide feedback on the best ones.

### **Session Chair**

November 21, 2015 - November 23, 2015: Southern Economic Association; (1) deciding which paper(s) each discussant will discuss, (2) determining how much time presenters and discussants will have to speak, (3) making sure authors send papers to discussants on time, (4) making preparations for brief introductions of speakers, (5) seeing that the session begins and ends on time and that authors and discussants stay within the time limits allowed. Chairpersons are strongly encouraged to leave enough time at the end of each session for questions and comments from the audience.

## **PROFESSIONAL ORGANIZATIONS**

Southern Regional Science Association. (August 1, 2007 - Present).

Regional academic organization for the study of Urban economics and regional science

Southern Economic Association. (May 1, 2007 - Present).

Academic organization

Leguizamon, S. (2014, January (1st Quarter/Winter)). *Discussant of "Neighborhood Concentration of Same-Sex Couples"*. Presented at American Economic Association for American Economic Association, Philadelphia, PA.

### **Contracts/Grants/Sponsored Research - Internal**

Summer, "Where Goes the neighborhood? The Effect of Gentrification on Within-MSA inequality," Amount: \$10,000.00, Awarded, Start: April 1, 2016, End: August 15, 2016.

### **IMPACT OF INTELLECTUAL CONTRIBUTIONS**

#### **Refereed Journal Articles**

Is 'Gaytrification' a Real Phenomena? In Urban Affairs Review.

This journal is very influential in the Urban literature. It has an impact factor of 1.308 which corresponds with 3 quality points on a 3 point scale.

Tolerance and Housing Values: How Levels of Human Capital and Race Influence this Link within the Metropolitan Area In Annals of Regional Science.

This is a journal with international reach and an impact factor of 0.69. This corresponds with 2 "quality points" from the economics journal rankings due to its high impact factor.

Revisiting the Income Tax Effects of Legalizing Same-Sex Marriages In Journal of Policy Analysis and Management.

Top field journal in applied public economics and public policy (Impact Factor 2.788).

Are Black Neighborhoods Less Welcoming to Homosexuals than White Neighborhoods? In Regional Science and Urban Economics.

Top field journal in Regional and Urban Economics (Impact Factor 1.024).

### **SERVICE ACTIVITIES**

#### **College/School Assignments**

##### **Committee Member**

January 2017 - Present: Gordon Ford College of Business Diversity Committee.

September 1, 2016 - Present: Finance Search Committee; To review applications for a faculty position in the Finance department, develop a criterion for candidate advancement, evaluate credentials of applicants, and to select applicants to second round interviews.

December 2014 - Present: Gordon Ford College of Business Graduate Curriculum Committee; Serve on the

committee that oversees the graduate curriculum for the Gordon Ford College of Business.

October 15, 2016 - November 2016: 2016 Sabbatical Review Committee; To review applications for sabbatical within the Gordon Ford College of business and recommend approving application(s).

### **University Assignments**

#### **Committee Member**

October 1, 2015 - December 1, 2015: Faculty Mentoring Award Committee; As a committee, criterion for awarding the Faculty Mentoring Award were developed. Nominations were evaluated by all members.

#### **Faculty Mentor**

September 1, 2013 - August 2014: Young Americans for Liberty; Advise students in the creation and development of a new campus student organization.

### **Department Assignments**

#### **Committee Member**

November 1, 2016 - Present: Economics Search Committee.

March 15, 2016: Undergraduate Scholarship Recipient Committee; The committee determined the minimum criteria necessary for a student to be considered for a department scholarship and the appropriate way to designate a student as a freshman, sophomore, junior or senior for scholarship purposes.

### **Professional Service**

#### **Committee Member**

March 1, 2016 - April 1, 2016: Southern Regional Science Association; Determine the winner of the graduate student paper award. I read and detailed comments on all award submissions and sent my recommendations for the ranking of the papers to the committee chair.

#### **Editor, Book**

June 2013 - June 2015: Review of Regional Studies; As co-editor I am responsible for determining which books will be reviewed by scholars for potential publication in Review of Regional Studies. I assign reviewers and review all submissions to ensure they are worthy of publication.

#### **Editorial Board Member**

January 2016 - Present: Review of Regional Studies; As a member of the editorial board, I serve as a regular reviewer for the journal and am part of discussions on the future direction of the journal.

#### **Executive Council Member**

January 2014 - January 2017: Southern Regional Science Association; I am on the committee that determines meeting structure and location for the Southern Regional Science Association meetings and other decisions pertaining to running the association.

#### **Reviewer, Journal Article**

February 1, 2017: Review of Regional Studies; I reviewed a paper for the journal Review of Regional Studies.

December 2016: Journal of Regional Science; Review journal article and prepare report for the Editor.

October 2016: Review of Regional Studies.

June 2015: Review of Regional Studies; Review journal article and prepare report for the Editor.

January 2014: Real Estate Economics; Review Journal Article and prepare report for Editor.

January 2014: Review of Regional Studies; Review journal article and prepare report for the Editor.

November 2013: Review of Regional Studies; Review Journal Articles and prepare report for the Editor.

#### **Reviewer, Textbook**

December 2013: Worth Publishers; Review chapters in Tarrabok/Cowen Microeconomics textbook and

prepare review.

### **Media Contributions**

Radio, National Public Radio. (November 6, 2013).

I was interviewed regarding recently published academic article.

### **PROFESSIONAL ORGANIZATIONS**

Southern Regional Science Association. Council Member. (July 1, 2011 - Present).

It is an association for the advancement of regional analysis and related spatial and areal studies. It operates as an objective, scientific organization without political, social, financial, or nationalistic bias. Its main objectives are to foster the exchange of ideas and to promote studies focusing on regional topics and issues and utilizing tools, methods, and theoretical frameworks specifically designed for regional analysis as well as concepts, procedures, and analytical techniques of the various social and other sciences. The Association supports these objectives by promoting acquaintance and discussions among its members and with scholars in related fields, by stimulating research, by encouraging the publication of scholarly studies, and by performing services to aid the advancement of its members and the field of regional science.

American Economic Association. (January 1, 2010 - Present).

2014: International Regional Science Review; Reviewed one article in 2014.

2012: Journal of Applied Economics and Policy; Reviewed one article in 2012.

## **PROFESSIONAL ORGANIZATIONS**

Association of Environmental and Resource Economists. (2012 - Present).

AERE was founded in 1979 as a means for exchanging ideas, stimulating research, and promoting graduate training in environmental and resource economics. AERE currently has over 1,000 members from more than thirty nations, coming from academic institutions, the public sector, and private industry.

Kentucky Economic Association. (2012 - Present).

The Kentucky Economic Association facilitates greater communication among state researchers from academia, government, and business, and promotes the sharing and discussion of research by economists and public policy analysts working on issues relevant to the Commonwealth.

Southern Economic Association. (2012 - Present).

The Southern Economic Association is one of the oldest economics associations in the United States, dating back to a conference held in Atlanta in November 1928. The Southern Economic Journal began publication in 1933 and is the eighth oldest American scholarly journal in economics. From its founding, the purpose of the Southern Economic Association has been to further the education of scholars and the public in economic affairs. Toward this end, it seeks to stimulate interest in and disseminate results of recent research in theory and applied economics.

## **HONORS/AWARDS**

#### **IMPACT OF INTELLECTUAL CONTRIBUTIONS**

##### **Refereed Journal Articles**

- Social Choice in Five Dimensions In Journal of Markets and Morality.  
This paper has impact for a variety of audiences including policy makers facing decisions regarding debt limits and public borrowing , individuals facing choices regarding international giving , food activists supporting a local food market, as well as ecologists discussing issues of sustainability.
- Gross Actual Product: Why GDP Fosters Increased Government Spending and Should be Replaced In Journal of Private Enterprise.  
This paper has impact in terms of how policymakers view wealth creation and is particularly timely given last year's rise and fall of the growth rate following increased government spending just prior to the presidential election. It challenges researchers to explore other measurements to measure true economic growth and challenges policy makers to set goals beyond just increasing GDP temporarily.
